With grateful thanks to all who have contributed

**PSL:** Identified Parent Support Lead Roles **LM:** Learning Mentors **SFLW:** School Family Link Workers **HT:** Head Teacher **DHT:** Deputy Head Teacher **OT:** Occupational Therapist **NI:** No identified PSL

## Extended Schools and Children's Centres

### A DIRECTORY OF PARENT SUPPORT LEAD ROLES

In line with Bristol's Parenting Support Strategy, every school and children's centre/linked setting in Bristol have nominated a member of staff who can act as a **Parent Support Lead**.

Staff in this role will be invited to carry out the following functions:

- Receive information from Bristol's Parenting Support team about staff training opportunities, new services for parents, local parenting programmes etc.
- Share information with other staff, governors and parents/carers in relation to parenting support services and opportunities
- Take part in and support parenting support training and events e.g. help identify parent representatives to attend an annual parent conference
- Assist with parent/carer needs analysis and consultation exercises, with support from Parenting Support staff
- Help raise the profile of parents/carers as key partners in children's services
- Meet with local parent support providers to work together on joint projects (where this involves more intensive joint working, there may be opportunities for staff to be paid to undertake this work or to receive funding to cover back-fill costs).

In addition we have added contact details for learning mentors (not always named as parent support lead role), parent support advisers (School Home Support) and contact details for the Parent Practitioner Task Group who would like to be copied in to e-group communications with parent support lead roles.
