## NOW YOU ARE IN SECONDARY SCHOOL

Now that you have been here in secondary school a little while and got used to some of the routines, we would like to hear from you what the good bits of 'big' school are and what could be better.

The best things about this secondary school are:

✓  
\_\_\_\_\_  
✓  
\_\_\_\_\_  
✓  
\_\_\_\_\_  
✓  
\_\_\_\_\_

The things I do not like very much about this school are:

☹  
\_\_\_\_\_

My best friends in this school are

Leaving your Primary or Junior School is a big step. You might have to leave some of your friends behind, because they are not going to the same Secondary school as you.

You were one of the oldest pupils in the school. But from September you will be one of the youngest pupils in school.

Doing the activities in this booklet helps you to get used to some of those changes. It will also help your new teachers to get to know you quicker, because we will send it on to your new secondary school.

School starts.

Look at the next page and see if you can answer the questions.

## MY PRIMARY SCHOOL

My Year 6 teacher is called \_\_\_\_\_

My best friend's name is \_\_\_\_\_

My favourite subject is \_\_\_\_\_

My least favourite subject is \_\_\_\_\_

My easiest subject is \_\_\_\_\_

My hardest subject is \_\_\_\_\_

What I do at lunch time is \_\_\_\_\_

## EXTRA HELP

Both primary school and secondary schools have more than just teachers, who might help people in the classroom and outside the classroom. Sometimes these people help everybody in the classroom. Sometimes they help one particular pupil.

Have you had extra help from somebody? Do you know who they were? Why did they give you the extra help?

## BULLYING

Bullying is not nice. It is hurtful and makes people very upset. Sometimes the bullies do not realise that what they are doing is hurting people.

Have you ever bullied somebody or have you been the victim of bullying? Write a few lines about your experiences of bullying, either as a victim or as the bully.

If you see people get bullied or if you suffer bullying yourself

**ALWAYS TELL SOMEBODY ELSE!!**

## NEW ROUTINES

In your primary school you spend most of your time in your classroom with the same teacher.

At secondary school this is different. You will probably have to move from classroom to classroom about every hour. You will have different teachers for all your different subjects.

So when you start secondary school you will have to learn what is on your timetable and where all the rooms in the school are. Don't worry about any of those things, because there will be lots of people to help you.

Match up the subjects with the textbooks by drawing a line between them:

HISTORY

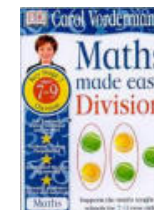

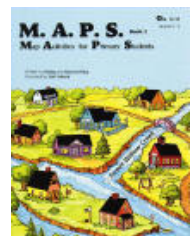

GEOGRAPHY

MATHS

FRENCH

ENGLISH

RELIGIOUS EDUCATION

## A BIG SCHOOL

Your new secondary school will be much bigger than your primary school. There might be almost 1000 pupils there. To make sure that everybody gets on ok there have to be rules. What kind of rules do you think would make your new school a safe and happy place for everybody?

## WHEN THINGS GO WRONG

Sometimes things do not go so well. Sometimes you make a mistake. Maybe you were unkind to a friend and called them a name. Maybe you hurt somebody by hitting them. Or maybe you were the victim of bullying, done by somebody else.

Write down some of the things you have done wrong in primary school. Obviously you can leave it blank, if you have never done anything wrong.

---

---

---

---

---

Now write about what happened to you, when people found out you had done something wrong:

## REWARDS

When you do things right, it is always nice to get praise.  
Many schools have rewards systems that give you credit for things you do well. Maybe your teachers will write a letter home to your parents about your achievements.  
Sometimes they give you stickers or stamps.  
The headteacher might give you a certificate.

Write about all the rewards and certificates you have received in your primary school

## HOMEWORK

One of the things you will notice when you go to secondary school is the fact that you get homework. Different teachers, from the different subjects might ask you to spend half an hour at home doing some more work.

Maybe you have already done some homework in your primary school.

What is important is that you do not leave homework to the last minute. You must also find a quiet place to do your homework.

Draw a picture of the place where you will be doing your homework:
